He thinks he has the salaries are several cities in the solid salaries from makers. He thinks he has the salaries are several cities in the solid salaries from makers. He thinks he has the salaries are several cities in the solid salaries from makers. He thinks he has the salaries from makers are several cities in the solid salaries from makers. He thinks he has the salaries from makers are several cities in the solid salaries from makers. He thinks he has the salaries from makers are several cities in the solid salaries from makers. He thinks he has the salaries from makers are several cities in the solid salaries from makers. He thinks he has the salaries from makers are several cities in the solid salaries from makers. He thinks he has the salaries from makers are several cities in the solid salaries from makers. He thinks he has the salaries from makers are several cities in the solid salaries from makers. He thinks he has the salaries from the sal as on Sunday. Of course, there would be a great but deal of opposition from the churches to this m enough in New York's churches for all those who desire a place to go to on Eundaya. I do not think the actors would object if the managers would pay them for the extra performances. As it would prove a boon to them to be able to earn a few extra dollars. I simply make the suggestion to you to again agitate the question, and I trust you will agree with me. Nobody to have the opportunity of attending the regular theatres on Sundays. CHARLES LEONARD FLETCHER.

## Fifth Avenue Theatre.

"Constant Readers," Please Consider

Cannot some one devise a practical form of punishment for those who sign themselves in the papers as "Constant Readers?" Take the weekly periodicals, and out of thirty queries you will finiter to designate them as 1, 2, 2 and so forth. think people should have sense enough to know that this is one form of annovance to editors, for equally charming. Here the yoke is whom they should have sympathy. Abolish it. Mr. Editor. Consign them to the waste basket publish a list of such consignments once a week, and watch the effect. WILLY DROP.

### forked at Through a Lens.

To the Editor: Allow me to may a few more words in regard to which part of a wheel travels the faster. Many, besides myself, have given mathematical ressons why the top goes faster than the bottom, but there seems to be still a few who cannot underand demands that Olaf be beaten to death.

Then comes the real drama. Olaf offers his life for the privilege of being from a shusband for one day. The next scene is in the bridal chamber where olaf is insuited and spurned by the next startling scene in the drama. She driven him away from her, but discovers that filts loves him, and sends her to save him. Olaf prefers death to the love of another, and when Thora hears this her hatred is turned to love, and all ends well. For Olaf, of course, is the King's long-lost son.

The translation of the play is weak in spots. When Rita, hearing that Thora hates Olaf, exclaims, "Then save him for me," the audience smiles—for Rita might be speaking of a mutton chop. There are other instances of bathon, for which the duet of doctors is responsible.

Miss Minnie Seligman played the role there seems to be still a few who cannot under-stand it. Among others, Mr. G. B. Hunt, whose Mix, season with a pinch of salt and a old engravings. A cherry cloth hat I would say: If you do not understand or believe for the custard pie.
